Cowboy Mounted Shooting Balloon Setting

WHAT IS COWBOY MOUNTED SHOOTING?

Cowboy Mounted Shooting is a fast action equestrian sport where contestants navigate their horse, through a course of ten balloons and attempt to pop all the balloons. The contestant uses two .45 cal single action pistols and specially prepared blank ammunition to engage the balloons.

WHAT WOULD OUR CLUB BE DOING?

The broken balloons need to be replaced after each contestant's run. Your club would be responsible for making sure the course has fresh balloons after each run. All necessary equipment will be provided by the Mid-Ohio Marauders—CMSA.

- Replace the broken balloons.
- Put balloons on the balloon sticks
- Blow up the balloons with an air compressor
- Clean up the balloon fragments before the arena is tilled.

WILL OUR CLUB MEMBERS BE IN DANGER?

- Club members will never be in the arena when there are horses competing. CMSA requires that no one other than the Range Master be in the arena during competition.
- Ammunition is made to only travel 20ft. Balloon setters are stationed in a location well out of the range of fire.
- Hearing protection is recommended.

HOW MANY MEMBERS DO WE NEED?

10-12 people per arena including at least 2 adults.

Working in shifts is recommended.

WHAT SHOULD WE BRING?

Athletic shoes
Lawn Chairs
Dress in layers
Water &
Drinks
Lunch

HOW MUCH WILL WE MAKE?

\$2.00 per run or the minimum amount, whichever is higher.

The funds raised are directly proportional to the size of the competition. The larger the competition the more money the club can make.

A shooting competition is made up of several matches:

1. Main Match: each competitor is required to enter this match and will make 3-6 runs depending on the structure of the competition.
2. Long Guns & Cavalry: a competitor chooses to enter this match, which is held in addition to and separate from the Main Match. Each shooter makes 2 runs

NOTE: Not all competitions will offer all of these matches. Only the main match is required.

The Long Gun & Cavalry matches provide an opportunity to raise more funds.

Example: Main Match of 50 Shooters plus 16 Long Gun & Cavalry Shooters

Main Match
2.00x50x4 = \$400.00
Long gun
2.00x25x2 = \$100.00
\$500.00

HOW DO WE SIGN UP?

Book online – under the balloon setting tab on our website: www.midohiomarauders.com
